

NEWS FROM THE NEST

March 2022

Good evening Eagles' Nest families! I hope this newsletter reaches you well. A few quick announcements and reminders for this month.

Eagles' Nest has officially completed the Colorado Shines rating review! The teachers did a great job getting their rooms ready and during their observations. I am so proud of each and every one of them. We should know soon what our rating will be and I will share that with everyone when we receive our results.

Salina would like me to extend a huge thank you to all our families for congratulating her on her new promotion. She definitely feels loved and supported by everyone.

Eagles' Nest will be participating in the GoFarm CSA food share again this year. If you are interested please click the link below that says GoFarm to be directed to their page. Colorado Seasons

Spring is always an unpredictable time here in the Rocky Mountains. Sometimes we even experience 3 seasons in one day! To assist our teachers with outdoor play please remember to dress your student appropriately for the weather. Layers are always a great option! Some mornings may be freezing, then warm, and by the time it is 3:00pm we are back to freezing cold.

Items to remember for Spring and Summer (labeled):

- Sunhat
- Sunglasses (optional)
- Sunscreen
- Bathing Suit
- Towel
- Extra change of clothes
