

News from the Nest

November 2021

Director's Report

Good evening Eagles' Nest families!

In case you missed it, here is the letter I sent out giving an update on our current situation:

Eagles' Nest is making big changes for the upcoming year. We are mandating COVID vaccinations for all staff starting 1/1/2022. This decision was made due to the impact of closing the school for COVID reasons over the last year and a half. When Eagles' Nest has to close the center it affects the students, parents, and the center's general operating fund. Our hope is that as we mandate vaccinations we will not have to close again due to COVID outbreaks.

As this change is mandated we will see a few teachers resign from their positions. Eagles' Nest had to make the difficult decision to temporarily close the Infant nursery starting December 13th, 2021. The current children enrolled in the infant room will move over to the one year old room with Miss Neva. Fortunately, all the children in the infant room will be one year old by December. Eagles' Nest put in a request to State Licensing to have the infant room temporarily licensed for an indoor gym. This will allow the students to have physical activity in a large space outside of the classroom during the winter months.

Eagles' Nest will continue to actively search for qualified teachers. The closure of the infant nursery is temporary and we will reopen the room once we have the number of teachers required to operate all three classrooms.

Eagles' Nest will be closed
November 24th-25th
December 23
December 30

Interested in being a voice for the school? Have ideas that would benefit our small mountain center?

Do you have experience you could bring to the table?

If you answered yes to any of these questions please consider joining The Board of Directors!

If you are interested see Kayla for more information.

We hope you enjoy your fall break :)

Wylie Lou riding her cool wheels around in the snow!

This is our newest friend, Cylis. He is a sweet friend to all the preschool students. Welcome Cylis!

Cassius has such a cute smile :) He typically enjoys playing in the sandbox and climbing the playground structures.

Eagles' Nest will have a booth at both events this year! We will provide activities for the kids and a coloring contest at both locations!

1st place winner will receive a \$25 gift card
2nd place winner will receive a \$5 Amazon gift card
Come on out and support our local community.

Nederland Holiday Mountain Market
Nederland Community Center
12/4 Saturday
12/5 Sunday

Gilpin County Winter Arts Festival
Gilpin County Community Center

 Eagles Nest Early Lear...

www.coloradogives.org

Eli is doing a wonderful rendition of a turkey. Gobble Gobble.

Caspian is always motoring around in one of our cars. He sure loves this most about being outside.

Rhett is having a great time playing with a large truck on the toddler playground. The truck matches his eyes!

HOW SICK IS TOO SICK?

The Colorado Health Department issues an updated HOW SICK IS TOO SICK? informational flyer for providers and families each year. If you would like a copy for your home please ask Alyson or Kayla.

REMINDER: Please keep all sick children home until child has no symptoms for 24 hours. We have seen a steady increase in cold like symptoms, GI illnesses, and various other sicknesses. It is crucial that sick kids stay home when contagious so we do not cycle illness through the center.

Toddler Room circle time! We learn about our days of the week, months, colors, shapes, numbers, and of course our alphabet. The best part about circle is the songs we sing!

Our sweet boy Wyatt hanging out on the playground <3

Toddler students doing a great job sitting at the table and working on art.

Cold Wind and Snow

It's that time of year already! We are experiencing a mix of wind, chilly temperatures, and snow. The temperatures will soon start to drop ever more and we will still be going outside as long as it is above 30 degrees. Please dress your children appropriately for the weather each day :)
